Cameron Kucic serves on Summit Realty Group's Industrial Advisory Services team focusing on Tenant and Landlord Representation in the Indianapolis market. He approaches each assignment with diligence and his bottom line mind-set enables him to optimize the value of his clients' real estate transactions.

Prior to joining Summit, Cameron interned at Keller Williams Realty. During his in-depth internship, he was exposed to the entire scope of the brokerage experience from client prospecting and property showings to researching the market and assisting in negotiations and closings.

While in school, Cameron launched Cam's Lawn Service and maintained a profitable operation for 7 years before deciding to pursue a career in real estate. As owner of his own company, he was responsible for company finances, marketing, employee supervision and coordination of contractors and subcontractors. He acquired invaluable experience in resolving problems and growing a strong client base. Cameron now applies his entrepreneurial determination and leadership experience toward his real estate projects.
