As Summit's Property Accountant, Laura Campins provides the Property Management team and property investors with accounting and financial reconciliation reporting. Laura brings over 20 years of broad bookkeeping and human resources/office management experience. Her professional skill set includes: income statements and balance sheets, reconciliation of multiple company entities and accounts; oversight of accounts payable and receivables; reconciliation of vendor accounts and inventory management; payroll manager; and lease audit and administration.

Laura is skilled in industry-relevant software, including Quickbooks and Yardi.

Prior to joining Summit, Laura served 18 years at Patóra Fine Jewelers, a multi-million dollar company, as both its Bookkeeper as well as Human Resources Manager for 20+ employees.
