Mike Hinker serves on Summit Realty Group's Office Advisory Services team where his systematic and resourceful approach provides a unique advantage to his diverse clients. He brings a natural inquisitive and common sense style toward his assignments, a style that consistently leads toward intelligent solutions. Mike's commitment to providing the highest quality service complements his steady focus on client needs while he successfully guides the decision making process.

Prior to becoming a broker at Summit, Mike served as a Broker Intern for the firm. As an intern, he gained invaluable hands-on experience by shadowing seasoned Office and Industrial brokers on tours, showings, meetings and closings. He also assisted Brokers on the marketing of project listings and in assisted the Market Research area in gathering time-sensitive and critical market research.
